What's Working in Dealership Advertising and What's Not!

Webinar/Teleconference: 11:00am, Thursday – August 12, 2010

Where to Allocate Your Ad Dollars for Maximum Impact!

For most dealers, advertising is the second largest expense after payroll. How's that working for you? You have a limited budget, albeit a large budget, but also a limited expertise to properly evaluate how well those monies are being spent. Our speaker for this session does have the expertise in this area as well as a long list of dealership clients from which to draw substantiated conclusions about where best to invest your ad dollars.

So just where is the ROI on the various choices for dealership advertising? Plan on rethinking much of what you thought you knew about dealership advertising. We will show you what really is working and possibly more important - what is a total waste of money!
