Case Studies: Service Departments Winning Back 2nd & 3rd Owner Vehicles

Webinar: 11:00am, Thursday – September 16, 2010

How Service Managers are re-vamping business plans to open up a market segment previously dominated by the corner garage and chain retailers!

Learn what is different about the "corner garage" that keeps customers coming back over and over again. Ed Kovalchick is a nationally-known service management trainer and has devoted a majority of his time studying what makes the corner garage tick. His findings will amaze you.

On Sept 16th Ed will profile several dealership service departments that have transformed a segment of their shop into "The Garage" with some amazing results. It takes a change of mindset – Learn to make it work in your dealership and open up a whole new business in service.
