How to Create a Consistent Selling Process on the Service Drive

Webinar: 11:00am, Thursday – September 23, 2010

How service departments achieve huge sales increases by consistently delivering a professional selling presentation!

How can your service department create the consistent selling process so often in evidence in the showroom? This question has vexed dealers and service managers for decades. The selling discipline taught and enforced in so many dealership showrooms is almost always absent once you get to the service drive.

System-selling guru, Steve Kwiatkowski of Liqqid Inc. will bring you real life examples of dealerships employing new tools to maximize maintenance package sales. Hear from real world dealer and service managers as they share with you how their success was realized.
