Re: Secure and Verifiable ID on DR2395 Title Applications

Secure and Verifiable ID - Two Owners

We have been notified of instances where two Owners are applying for title and both Owners Secure and Verifiable Identifications (SVIDs) are being listed on the DR2395, Application for Title. At this time, the Title Section is not rejecting these applications when both names and IDs are listed. However, only one SVID is required in order to apply for a title. The title application will be rejected if two names are listed in the SVID portion of the DR2395 and only one ID is recorded (due to not knowing which party the ID represents).

If you have any questions, please contact the Title Section at 303-205-5608.
