Our beloved wife, mother, grandma (gammi), sister, teacher and friend, Anna Rose Laderman Kogel, passed away Sunday September 6, 2009 after a remarkable battle with leukemia. She was a true inspiration to us all.

She attended Capitol University, Bowling Green State University and graduated with her undergraduate degree from The Ohio State University and her graduate degrees from George Washington University. Anna was a Special Education teacher for Jefferson County Schools in Colorado, touching many lives. A two time breast cancer survivor, Anna retired in 1998.

Anna married Bob Kogel on June 12, 1965, and together they had daughters, Kelly and Jody.

Proud to be an American, she enjoyed life, loved traveling, and being with her friends and family, especially her grandchildren, Robert Tyler (15), Amanda Kaily (11), (Kelly's children), Annaliese Darlene (2) and Jonas James (2) (Jody's children). Anna was a huge fan of The Ohio State Buckeyes, The Denver Broncos, and Neil Diamond.
