The Colorado Automobile Dealers Association invites you to join us for a reception in honor of
Rep. Ken Summers (R-Lakewood)

Rep. Summers currently serves on the House Finance Committee and the House Education Committee.

Rep. Summers is a staunch advocate of dealer issues and was the prime sponsor of HB 1230 during the 2009 Legislative Session. The bill, which was successfully passed and signed into law, provides dealers with a hold harmless clause in the event of an audit in which a consumer intentionally provides incorrect address information to avoid paying taxes.

Event Details:

Wednesday, September 30th
5:00 – 7:00 p.m.
Reception at CADA Headquarters
William D. Barrow Building
290 East Speer Boulevard
Denver, 80203
