Re: SB09-108 Late Fees

With the passage of SB09-108 owners of vehicles subject to taxation that are required to be registered on or after June 1, 2009 will be subject to late fees up to \$100.00 per vehicle. The owner will continue to receive a one month grace period. Then the \$25.00-per-month late fee applies to any portion of the subsequent months for up to four months.

Example: Vehicle registration expired in April and a grace period expired in May
If you register the vehicle in:

June	Late Fee: \$25.00
July	Late Fee: \$50.00
Aug.	Late Fee: \$75.00
Sept.	Late Fee: \$100.00
Oct.	Late Fee: \$100.00

Vehicles that have been issued Temporary Registrations (Permits) are subject to the Late Fee.

Example: Temporary Permit expiration date is June 3, 2009
If you register the vehicle between:

June 4 – 30	Late Fee: \$25.00
July 1 – 31	Late Fee: \$50.00
Aug. 1 – 31	Late Fee: \$75.00
Sept. 1 – 30	Late Fee: \$100.00
Oct. 1 – 31	Late Fee: \$100.00

Vehicle owners who move to Colorado from Out of State and do not register their vehicle within 90 days of residency will be charged late fees up to \$100.00. Vehicles purchased by Colorado residents will be assessed late fees 61 days after the purchase date, if the vehicle is not registered.

Vehicles that are used to operate a commercial business as part of the normal operation of the business are exempt late fees if the vehicle has not been operated on any public highway in Colorado for one full registration period.

The owner of a vehicle who is active military serving outside of Colorado when the registration grace period expires, if the vehicle has not been operated on any public highway in Colorado between the time the registration period expired, including the grace period and the time the vehicle is registered will be exempt late fees.
