

Colorado Automobile Dealers Association

Sales / Use Tax Database Accuracy and Accessibility Data 2009

Dealership Name and Contact person (*OPTIONAL*)

Multiple Dealerships:

This survey is for ____ (#) dealerships

In order to better understand the current challenges dealerships face in identifying all correct sales/use taxes that should be collected for a particular address, please collect the data below.

We need to obtain this valuable input for the Colorado Legislature’s interim committee that is studying this matter. Thank you for your time and attention to this effort.

Select one month, or track by month over a period of several months through the end of this year—whatever you are able to or have time to provide.

→ *Please provide any data you can gather between now and the end of the year. RETURN BY DECEMBER 31, 2009!*

Month	Total # of deals submitted for title processing	Total # of rejected deals	Percent rejected	Smallest dollar amount of deal rejected for tax discrepancy	Total dollars of any additional taxes due	Total dollars unreimbursed By consumer

Any additional comments related to the data provided above:
